Dear Annie: Love of Love, ^{Ann. Dec. 7, 1962}

Indeed find letters of 1985
annual Laughton Xmas Party.

Next on Feb. 14, '62
we lost another Bob. Last month.
He had a heart attack a few
months ago. They discovered he
was full of cancer. Bob & his wife
asked that the next attack not
be interrupted. We were able
to visit with Bob before that
happened. Brother Pete, who had
5 years longer in 1978, was brought
back, by Bob's Medic, three times
one day this summer. Her recovery
nicely. Best me happy at Ben-
Rumburg last Friday, my mother
had her 93rd Birthday in October.
She stays cool and is alert
bright. All is well with the
rest of the bottom team. I
continue to do small remodels
Mrs. and my wife, Bob, &
continue as office expert at

It wouldn't seem like **Christmas**
If we couldn't get in touch
And extend the **Season's Greetings**
To those we like so much

a Chevrolet Dealer's full time.
In 1985, along with Ray's
sister & her husband, we made
our first visit to Canada,
spending a few days in
Toronto and Victoria. We
were charmed! Our schedule
would not permit travel
East of there. Ray had only
one week off and wished to
spend it with her sister from
St. Louis, Missouri. The two
sisters had every day well
planned for sight-seeing & shopping.
This year we reunited with one
of my wife's daughters who lives
in Phoenix, AZ, with her party
country.

Trust all is well with your
branch of the family,
Best to you all
From Daughter
