

DECEMBER, 1989

Merry Christmas!

This year, Phyllis continued her part in making a financial success of Richard Hibbard Chevrolet, where she remains as Business Manager. Her crews are now "on track", so Phyl was able to take two three day vacations. The first, a day at San Diego's famous Del Coronado Hotel, followed by two days at Laughlin, Nevada. The other at San Francisco (before the earthquake) where we were joined by Phyl's daughter Tanya, and her husband, David Every who were visiting from Maui, Hawaii.

Up until August, I continued as house-husband, took handy-man, carpentry and a few Supervisory construction jobs. By August, I was walking with difficulty, so started pressing my Health Plan for a back operation. The Lumbar Laminectomy took place on November 22, I now walk freely and am again house-husband. The Family Christmas Party, on December 10, will again be held in Riverside, California, at Hunt Park. All welcome!

Our love to all,

Phyllis & Tom Laughlin
