Dear Jack —

On the eve of your departure for Toronto to study optics, I wish to thank you most heartily for your interest and work in the Nelson Symphony Orchestra, of which I have the honor of being conductor, and also to voice my appreciation of your services with the Marimba Dance Orchestra, whose business affairs I manage. You have proved yourself to be an earnest, efficient and trustworthy performer on the Drums, Marimba, Bells, etc., and you have contributed in a large measure to our successful work. In addition to the above, your facility of doubling on violin has been very pleasing. Above all, your personal integrity and jovial disposition have made our relations most pleasant.

I hope you will be very successful in your studies, and that you will enjoy your sojourn in the east. If I can be of any service, please command me. I trust that you will continue to make Nelson your home, and that ^{we} ~~you~~ will again have the pleasure of your company and ability upon the completion of your studies.

Sincerely yours,

Ross Fleming.
