Concern: Information request for Josiah KENNEDY
(Ref.: TFI 000025 - mgk)

Dear Sir,

Further to your enquiry dated 22.02.2009, we are pleased to transmit hereby a detention attestation which contains all the information pertaining to your grandfather in the ICRC Archives.

We would like to draw your attention to the following: in the attestation, the first name is retranscribed *Josias* and not *Josiah*, according to the information provided by German authorities. It is certainly a spelling mistake since all the data available corresponds exactly to your request, but we need to respect the original documents.

We hope to have been of assistance and we remain,

Yours sincerely,

Magali Chahlaoui-Girod
